Seamless Integration With Your Library Workflows

The Academic Collection works with your existing library infrastructure. It plugs in easily with interlibrary loans systems such as ILLiad and RapidILL, providing supplementary and reliable article delivery 24/7 whenever your patrons need it. And the Academic Collection easily integrates with leading library management platforms and services, including **EBSCO**, **Tipasa from OCLC**, **ExLibris**, **IDS**, and **ProQuest**.

Find out why academic institutions around the world rely on Article Galaxy for on-demand access to scientific literature.

Learn About Our Consortia Program

Research Solutions/Reprints Desk has purchasing agreements with various library consortia, providing member institutions with access to articles from the A-Z Academic Collection at specially negotiated prices. Current consortia agreements include the **Greater Western Library Alliance (GWLA)**, the **Pennsylvania Academic Library Consortium (PALCI)**, the **Association of Southern Research Libraries (ASERL)** and **LYRASIS**, one of the largest library consortia in the U.S. If you are a consortia member, please contact us to find out what special offers you may qualify for.
