

# REINVENTING STM LITERATURE MANAGEMENT

A One-Day Conference on the Future  
of Corporate Information

## CONFERENCE AGENDA

The Future of Corporate  
Information and Knowledge  
Management is here.  
Are you part of it?

Corporate information  
centers need to enable faster  
breakthroughs in science,  
technology and medicine, while  
reducing compliance risks –  
all with fewer resources. Take  
part in this half-day conference  
hosted by Reprints Desk and  
learn more about the latest  
STM content workflow trends,  
tools and best practices.
