## Article Shelf Browser

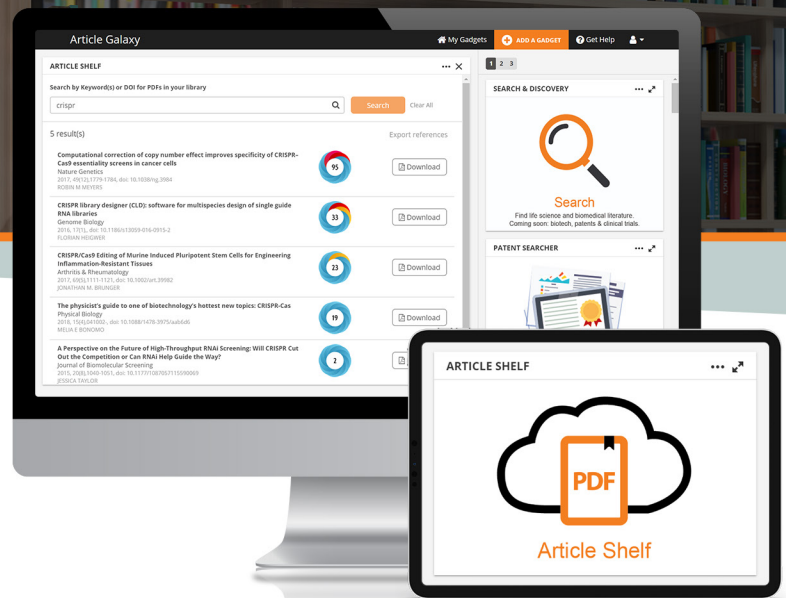

### Your Single Source for Acquired Literature

Unsure whether you have the PDF article you need? Or the proper permissions to re-use it? Article Galaxy's **Article Shelf Browser** places your legally acquired and **reusable PDFs** in one location\*—enabling you to check copyright permissions and avoid paying for the same article twice.

#### Minimize Cost and Confusion:

- ✔ Search by keyword(s) or DOI for the full-text PDF article
- ✔ Download or request any PDF article related to a citation
- ✔ Acquire PDF articles via integrated browser plug-in on 70+ websites
- ✔ Leverage built-in administrator-level features

\*In line with Reproduction Rights Organizations (RROs) and Open Access license terms.

#### The Article Galaxy Difference

Unrivaled in its ability to conform to your needs, **Article Galaxy Enterprise** is the most efficient, practical, and simple solution for Scientific, Technical and Medical (STM) literature access. **Article Shelf Browser** requires an Article Galaxy Enterprise subscription and custom configuration.

Discover how Article Galaxy Enterprise continues to set new standards for performance and customer satisfaction today.

## Rights Management Solutions That Fit Your Needs

Integrate your licensed content into **Article Shelf Browser**. Our technology incorporates your direct publisher agreements, Open Access content, and RRO license information to remove the guesswork out of rights management and enable you to create a copyright compliant workflow that's efficient, practical, and comprehensive.

## Rights Management Options

Give users the ability to acquire articles based on parameters set and managed by an **administrator**. Users will be shown your organization's rights advisory solution with appropriate re-use requirements and can instantly download articles already in Article Shelf Browser.
