Article Galaxy Dashboard

1. Visit the dashboard via the Reprints Desk user login page at <https://www.reprintsdesk.com/login/login.aspx>
2. Click the **Article Galaxy Widget** link for fast in-browser order options.

The screenshot displays the Article Galaxy dashboard with several widgets: DOCUMENT DELIVERY GADGET (shopping cart icon), ARTICLE GALAXY NEWS READER (document icon), QUICK LINKS VIEWER (links to Bibliogo, PubMed, and Article Galaxy Widget), and ARTICLE SHELF BROWSER (cloud with PDF icon). An inset shows the Article Galaxy Widget interface, which includes a search bar, filters, and a list of articles with pricing options (Buy, Rent, Get Full Text).

Article Title	Count	Buy Price	Rent Price
The paradoxical nature of hunter-gatherer diets: meat-based, yet non-atherogenic.	24	Copyright \$20.00	Plus Service Fee
Metabolic and physiologic improvements from consuming a paleolithic, hunter-gatherer type diet.	186	3-Day Rental \$19.00	
Hunter-gatherer energetics and human obesity.	201	Get Full Text	

To Activate Your Widget

1. Click on the link in your dashboard or access the widget page directly at <https://info.reprintsdesk.com/article-galaxy-widget>
2. Make sure your bookmarks toolbar is visible within your web browser.
3. Click on the blue **Inject Article Galaxy**  and drag it up into your browser's toolbar.
4. Start searching citations on your favorite discovery portal and click the widget button.

Article Galaxy Widget

Article Galaxy Widget makes it easy to order journal article PDFs through **Reprints Desk** from almost any web page displaying bibliographic citations – including Pubmed, Google Scholar, Scopus and more. Try it with your favorite discovery service. You'll get link resolver functionality to articles in your library collection, as well as access to article rentals, and pricing for article PDF purchases.

Inject Article Galaxy

Installation in Internet Explorer 8

1. Right click on **Inject Article Galaxy** above.
2. Click **Add to favorites...** in the context menu.
3. For **Create in choose Favorites Bar**.
4. Click **Add**.

Installation in Firefox, Chrome, Safari and IE 9+

- Drag and drop **Inject Article Galaxy** to your favorites bar.

How to Use

1. Click **Inject Article Galaxy** in your bookmark toolbar on any web page where you see bibliographic references. This will open Article Galaxy Widget.
2. Sign in with your Reprints Desk user id and password.

A couple usage notes:

Article Galaxy Widget works in all recent versions of Firefox, Chrome and Safari, and IE8 or newer.

Your Reprints Desk account must be configured to work with Article Galaxy. You might already be set up – you can install and try Article Galaxy Widget to find out. Or contact the Article Galaxy Team for assistance.

We're here to help

Hint: Make sure your bookmark bar is visible.

Browser	Shortcut to Show or Hide Bookmark Bar
IE 8 or 9	Alt, V, T, F (One key at a time)
IE 10+	Ctrl + Shift + B
Chrome	Ctrl + Shift + B
Firefox	Alt, V, T, B (One key at a time)
Safari	Command + Shift + B

Benefits and Features of the Article Galaxy Widget

1. The widget extracts content from any discovery site for simplified viewing.
2. Works with Google Scholar, PubMed and 70+ other popular search tools.
3. Easily place orders with shopping-cart like access, save for later, or get direct link to subscribed content.
4. View pricing and copyright fees at a glance. 
5. Review online popularity of citations with Altmetric score. 
6. Export citations to Bibliogo or any other reference manager.
